

Write Out Loud

Everyone has a story in them. What's yours? Write Out Loud, JUTE Theatre Company's online writing program, offers you access to the ultimate A-Z of creative writing.

For all of your Write Out Loud registration and further information, head to JUTE's Write Out Loud Online Program.

The course offers 9 learning modules that include videos, worksheets and audio exercises. The course is at your own pace and is guaranteed to give you the knowledge and confidence to tell the story burning inside of you. Through interactive videos with one of

JUTE's own Creative Producers, playwright and dramaturg Kathryn Ash, you can expect to find fun, adventure, challenges, imagination sparks, hands-on writing exercises, ideas coming out your ears, and the tools to catch those ideas and make them into great stories people will love.

This program is the online companion course with JUTE's Face-to-Face writing development program, Write Sparks.
